

MAUNA LANI RESORT

Experience A Hawaiian Sunset On Mauna Lani's Sunset Golf Cart Tour!

The **Mauna Lani Sunset Golf Cart Tour** is a new way to experience a stunning Hawaii Island Sunset: on a golf cart! The tours run daily and open up the beauty of the Mauna Lani Resort South Course to everyone at the most amazing time of day. Your journey begins at the Mauna Lani Golf Shop where you can check out great apparel and gifts to remember Mauna Lani, then enjoy the tour!

STOP 1: Shiono

Before departing the clubhouse, purchase a refreshment from Shiono and then cruise in your Mauna Lani Golf Cart through the opening golf holes of the South Course in succession from holes 1-7.

STOP 2: Honoka'ope Bay

Stop at the ocean front 7th hole which features a 214 yard par 3 over a lava flow and is parallel to the Pacific, overlooking Honoka'ope Bay. We continue on the tour in hole succession from holes 7-13.

STOP 3: Mauna Lani's 13th

Take in the view from the 13th green which overlooks the Pacific Ocean once again and a view of the signature 15th hole. We continue the course tour in succession to holes 13-15.

STOP 4: ili'ilinaehehe Bay

Enjoy the sunset from one of the most iconic locales on the Kohala Coast, the 15th hole of Mauna Lani's South Course. The perfect spot to watch the sun slip over the horizon while watching for that illusive "green flash." We finish the tour with driving holes 16-18 back to the Mauna Lani Golf Clubhouse and Shiono.
